THE RACE OF THE YEAR - CHAPTER REPORTS

AND WE'RE OFF!!!

PINEDALE, UTE, LAKESHORE, and RIVER VIEW are in the lead and tied for 1st place!! They haven't turned in their Chapter Reports for four months in a row. We are beginning to wonder if they even exist. JORDAN is running a close race with second place-a cinch by missing the last two months in a row. And a triple tie for 3rd place between SUNSET, MOUNTAIN VIEW, AND OAK HILLS, for missing this month. In the last five months since we have been publishing the Lodge paper regularly each month without fail, only WASATCH has had a Chapter Report every month. CONGRATULATIONS to WASATCH for their faithful participation and concern of its Chapter's Arrowmen, and Congratulations to those Chapters who are in the big race of the year for First place by turning in the least number of Chapter Reports. At this rate it seems as though we will have to initiate a new award to be presented at the Annual Banquet for the Chapter with the least number of reports. Who will win this? Surely NOT WASATCH!

To the Chapter Chiefs of the aforementioned Chapters, we hope that you will endeavor to get your reports in, and on time. "HE ALONE IS WORTHLY TO WEAR THE ARROW WHO WILL CONTINUE FAITHFULLY TO SERVE HIS FELLOW MAN", says Allowat Sakima in the Ordeal Ceremony. Are YOU faithfully serving your fellow Arrowmen by not submitting your monthly reports? NO!!!

CALENDAR OF COMING EVENTS

- Mar. 25 - Lodge Executive Committee Meeting, Scout Headquarters, 7:30 P.M.
- Mar. 27 - Brotherhood Ceremony, Tracy Wigwam, 7:00 P.M.
- Mar. 30 - Deadline for down payment of National Conference.
- Apr. 22 - Lodge Executive Committee Meeting, Scout Headquarters, 7:30 P.M.

RIGHT OFF THE RACK:

MARCH STAPLERS OF THE ECHO - Thanks to the staplers of the March Echo, from PINEDALE Chapter: Mike Major, John Sanders, Terry Rosenlund, Gary Georgell, Larry Heagren, Paul Steenblik, Matt Airmet, Auger, Brad Airmet, Ronald Rosenlund, Russ Parker.

SCOUTERS CONVENTION - Thanks to all the following Arrowmen who attended the Scouters Convention in February and ushered for this Annual event. By Chapters, they were: COPPERHILLS - Kirk Andriana, Steven Bond, Dave Simpson, Jerald Bowers, Harvey Roberts. JORDAN - Jim Dunn, Mr. Burch. LAKESHORE - Brent Ferron, Dale Guest, Brad Wilcox, Kevin Gardner, Greg Newman. MT. OLYMPUS - Jim Olsen, Richard Call, Kent Rappleye, Sterling Ellsworth, Mike Hurst, Dave Gluaie, Kevin Petty, Lynn Horrocks, Mike Mackey. MT. VIEW - Robert Regan, Steve Price, Kelly Tate, Brent Meredith, Roger Greer. OAK HILLS - Robert Keene, Mr. Emmett. PINEDALE - Paul Steenblik, Keith Auger, Brad Airmet, Mathew Airmet. RIVER VIEW - Bill Huebner, Dave Larsen, Byron Hutchings, Ross Larsen. STANSBURY - Steve Shields, Brent Downey, Stan Perks, Robert Fox, Rocky Russell, Mr. Kerr. SUNSET - Ray Hirst, Mike Rother, Mark Burch. WASATCH - Mike Mathews, Douglas Green, Mr. Kitchens, Dave Dickman, Brent Waterman. The following Chapters had NO Arrowmen present: BIG COTTONWOOD, RED BUTTE, UTE. Lodge personnel present were Dan McRae, Lodge Chief, Doc Fairbanks, Lodge Advisor, and Ron Ford, Ralph Holding, and John Meng, Assistant Lodge Advisors. Thanks again to those who helped make this successful.

PARLIAMENTARY PROCEDURE - A parliamentary procedure system by which we will run all Executive Meetings henceforth was established at last month's meeting. This does not involve too much, but will ensure that everyone will be heard, Chapter Chiefs or their authorized representative, and in an orderly and organized fashion. An item of the greatest importance is that only one person, who is properly recognized by the Lodge Chief, be speaking at a time. Advisors are asked to refrain from interrupting the normal course of the Executive Meeting by refraining their remarks to their individual Chapter Chief, or else can be heard during the Advisors session during the Committee break. We hope that all will comply with the new system.

CHAPTER CHIEFS AND AUTHORIZED REPRESENTATIVES - Last month at the LECM it was approved unanimously that only the Chapter Chief, Vice Chief, Secretary, or Treasurer, may officially represent a Chapter at the Lodge Meeting and have the right of a vote. If all four of these elected officers are absent, then that Chapter loses its right of representation and vote.

LODGE COMMITTEE REPORTS - We would like for each Lodge Committee Chairman to turn in a written report of his meeting to the Editor directly after the committee meetings. If the report will be of general interest to the Lodge as a whole, we will print it in the Echo.

LODGE NECKERCHIEF SLIDES - The Lodge is purchasing a supply of Ordeal, Brotherhood, and Vigil Honor neckerchief slides which will feature the Lodge number in gold imprinted on them. They are available to all Lodge members of the appropriate rank. You will be able to purchase one of these great treasures for the first time at the Spring Fellowship. The cost of the slides are as follows: Ordeal - 75¢; Brotherhood - 85¢; Vigil - \$1.00. Be sure to get yours as soon as you can.

LODGE BEAD SYSTEM - At last month's Lodge Executive Meeting it was approved to start a bead system for Arrowmen to wear beads appropriate to individual recognition earned for Chapter and Lodge accomplishments. Only a brief outline was presented at that time, but at the March LECM a detailed explanation will be given and asked for approval. The beads will then be purchased and hopefully available for the first time at the Spring Fellowship.

MINDS ARE LIKE PARACHUTES -

THEY FUNCTION ONLY WHEN OPEN.

NEW MAILING LIST - A new Lodge mailing list for the Echo has now been completed. It is comprised only of those members who have paid their 1971 dues. By the time this is published and mailed all Chapter Chiefs will have already received a copy of the active members of their Chapter from the Lodge Secretary. Each Chapter Chief is urged to ensure that it is correct. If there are any Arrowmen missing from the list who should be on it, one of the following two procedures will have to be followed: 1) At the March LECM have that particular Arrowman attend and bring his current membership card, or 2) bring his receipt for dues having been paid for 1971. Otherwise he will not be on the mailing list and will also be considered an inactive member.

CHAPTER NAMES - At the January Executive Meeting it was decided that all Chapters would come up with Indian names for the Chapters to take the place of the current District names. These names were asked to be turned in at the February Executive meeting. Only 4 were submitted. If you were not one of these four, you MUST have it by the March meeting. Turn your Chapter name into the Editor.

CHAPTER CHAIRMEN - In last month's Echo all Chapter Chiefs were directed to turn in a list of their Chapter Chairman to be compiled into one list and published in this month's Echo. This is for your benefit and to help your Chapter. Only 6 Chapters turned in the list requested. Those not submitting their list were: JORDAN, LAKESHORE, MT. VIEW, OAK HILLS, PINEDALE, RIVER VIEW, STANSBURY, SUNSET. As promised, in this issue you will find a list of Chapter Chairman for those Chapters complying with our request. Other Chapters will only have the Chapter Chief listed. We hope that your phone rings off the hook. Remove this list and keep it where you can find it.

NO-NO COLUMN - At last month's Executive Meeting there were 83 Arrowmen present. We are very glad to see such good representation from almost all Chapters, and hope that it will continue to grow. However, it is discouraging to see Arrowmen attend not in uniform, complete, correct, and neat, and with Sash. Therefore, commencing with the next issue of the Echo we will print in the "NO-NO" column the names of those Arrowmen who do not comply with the National Standard by wearing the correct uniform to the Executive Meetings. This will be done monthly. Last month there were 14 not in uniform; how many will be honored in the NO-NO column of our next issue?

PROFILE

BRENT FERRIN
LAKESHORE CHAPTER CHIEF

This young man shines as an example to other Arrowmen in the Lodge for his outstanding work in his community, school, and especially in the Scouting program.

His illustrious qualities can be seen through his participation in all activities, especially Scouts. He has been active in Scouts for 5 years, since he was 12 years old. He is an Eagle Scout of Troop 104, and has held every leadership position possible, and is now serving faithfully as Junior Assistant Scoutmaster.

Demonstrating superb leadership qualities, Brent was elected Chapter Chief of Lakeshore for 1971 after having been an active Arrowman for only one year.

But his activities do not end as a Scout. In the community he is a very active member of the Church of Jesus Christ of Latter Day Saints. From Deacon to now a Priest, he has held various offices ranging from Secretary to First Counselor. He only has one more year of tenure to complete his Duty to God Award.

He attends Davis High where he is a Junior. Once again his leadership qualities shine forth, for he was the Freshman Class President two years ago. In school he is active in sports and has lettered in Football and plays baseball too.

The Echo Staff is proud to add BRENT FERRIN to those honored in the ELK'S ECHO "Profile" column.

* * * * *

Each month the ECHO prints a Profile on one of the Lodge's outstanding Arrowmen. Anyone may submit a Profile about one of your fellow Arrowmen at any time. Submit them to the Editor.

The SPRING FELLOWSHIP WEEKEND is a break-through idea in lodge activities featuring two days of brotherhood and cheerfulness for the members of the lodge. It promises to be the biggest and most attractive event in the history of EL-KU-TA Lodge. Activities enough to keep young Arrowmen "on the run" for an entire weekend have been planned. A few of these are the Brotherhood and Fellowship Game, campfires, ceremonies, OA demonstrations, swimming, hiking, canoeing, eating, contests and the appearance of Mr. X.

The SPRING FELLOWSHIP WEEKEND is one event Arrowmen will not want to miss. Chapters are urged to get as many members as possible to attend. Chapters will earn points toward the "Chapter of the Year" Award if certain percentages of their members attend.

Young Arrowman artists are urged to submit patch designs for selection by the Executive Committee. The designs submitted may be in any type of shape but must not exceed 4 inches in height and 3 inches in width. No more than six colors may be used in the design. Entries should be sent to the Lodge Editor, Bruce Hucko, 4082 Achilles Drive, Salt Lake City, Utah 84117, no later than March 23rd. The winning artist will be awarded a free pass to the SPRING FELLOWSHIP WEEKEND and five patches.

Mark your calendar and don't forget to attend this ultimate Lodge activity. More details will be given next month in the Elk's Echo.

SMOKE SIGNALS FROM THE CHIEF

This year our new Lodge administration established a new program in controlling the organization of the Lodge and Chapters. The system has been experimented within past years on an extremely small scale, however, those times when it was exercised it was proved invaluable. So this year the program is being practiced on a full scale basis. Some controversial static has been brought to my attention merely through misunderstanding of the overall program. So I have written this article to alleviate all misunderstandings of the present policies relating to program and to open the door to further discussion, if need be, by merely contacting myself by phone at 278-0191.

Basically the program consists of a committee organization system in which the Lodge and, likewise the Chapters, (for it is only obvious that the Lodge could not operate proposed system with any measure of success unless the Chapters follow suit) operate together in the promotion of Scout Camping and Service in Brotherhood. One of the major objectives of the program is to immunize Arrowmen in duly elected positions from the well known disease "DO-IT-ALL ONESELFITIS", which has plagued elected officials for decades. With a committee organization many Arrowmen can have the opportunity to become active in the place of elected officials doing a half-fast solo on important routine jobs.

In closing may I just coin the well-known phrase: "He alone is worthy to wear the Arrow who will continue faithfully to serve his fellow man". Let us at least put this responsibility upon the Arrowmen of this Lodge by giving them the opportunity to serve.

Yours in Brotherhood,
DANIEL V. McRAE
LODGE CHIEF

BROTHERHOOD CEREMONY - will be held on March 27, at Tracy Wigwam again. Time will be 7:00 P.M., and you will be finished by 9:30 P.M. All Chapter Chiefs must pass off Brotherhood Candidates prior to the ceremony. If a candidate cannot get his Chapter Chief to pass him off on his questions, then you may do it on the evening of the ceremony, but it is preferred and hoped that you can have this accomplished before you arrive. If there is a Chapter Chief who is not a Brotherhood member, assign a Brotherhood member of your Chapter to act in your place. Cost only \$1.50; order blank on page 11.

BRUCE HUCKO
LODGE EDITOR

Bruce started on the Scouting trail in 1964 when he joined Troop 197 of Salt Lake City. While actively participating in Troop activities, he held positions from Assistant Patrol Leader to Junior Assistant Scoutmaster. He is now the senior member of his Troop, and is also a member of Post 197. An extremely active member of both units he was named Scout of the Year in his Troop and Explorer of the Year in the Post. In May of 1970 he reached the pinnacle of Scouting by receiving his Eagle, and in October of the same year he received his coveted religious award, Pro Deo et Patria,

This capable leader is an honor student and senior at Highland High School, taking Advance Placement calculus and English, and plans on majoring in aerospace engineering. He also takes an active part in many extracurricular activities.

Bruce enjoys skiing, which is where you'll find him during the winter. His other interests include backpacking, climbing, sleeping, pitching pennies, and girls.

In 1967 he successfully completed his Ordeal and was made Brotherhood the following year. He has served his Chapter and Lodge as a member and later as chairman of the Ceremonial Team. Bruce has been very active in his Chapter, Mt. View, participating in all functions and always ready to lend a hand, whether it is to help the Lodge or Chapter. Last year he was the reporter and editor of the Mt. View Chapter paper, at which he did an outstanding job. Last December at the Annual Mother, Father, Son Banquet, Bruce was called out for the Vigil Honor.

If you don't know Bruce, get to, he would like to know you.

ORGANIZE, DEPUTIZE, AND SUPERVISE

Organize, Deputize, and Supervise - These are the key three words of success which go into the recipe that produces LEADERSHIP. This slogan is a direct quotation from a very famous and well respected professional Scouter now in Hawaii, John W. Ingham, Commander, United States Navy, Retired, with whom I have had the privilege of working. First, a potential leader must ORGANIZE his policies in a fashion he deems appropriate for success. Secondly, he must DE-PUTIZE to those in whom he has full confidence various assignments, goals, and proper authority for carrying out the mission of the administration. Thirdly, he must SUPERVISE those who he has deputized to ensure that they do in fact accomplish their tasks. One cannot merely supervise oneself. ALL three parts of the triangle are essential, for if any one part of the recipe is missing, there is no Leadership; if there is no leadership, there is no Service; if there is no service, there are no Accomplishments; if there are no accomplishments, then there can be no EL-KU-TA Lodge and the Order of the Arrow.

In the future, let's have every elected and appointed officer and chairman of the Lodge or Chapter strive to make the recipe complete. As your Lodge Chief stated on page 7 in his article, "lets immunize ourselves from the disease 'DO-IT-ALL ONESELFITIS'". When one has mastered oneself, this is good; but when one has mastered many, this is LEADERSHIP.
