DECEMBER -- 1974

No. 7

MERRY CHRISTMAS FELLOW ARROWMEN

This time of year is finally upon us and it is also the time of the year to reaffirm our values, oaths, and convictions. The greatest value we arrowmen have is cheerful service, in fact we are the brotherhood of cheerful service.

What can we do at this time of giving unto others that will strengthen our values in this brotherhood? Many say, it is far better to give than to receive, which is true, but it is far better to give of yourself. Let us all give of ourselves in this holiday season, and it cannot do anything but strengthen our values of cheerful service. This will not only help the people around you, but help yourself and help our brotherhood.

Fellow O.A. Members,

This month marks the beginning of a new year. With it comes the duties of reregistration and unit elections. Our goal of reregistration is not an unreasonable goal to attain. Every member will have to reregister if he wants the Echo this year, and if you want to participate in the activities of the lodge. Dues are \$3.00 (Three dollars) and can be paid to the Chapter Secretary or at Scout headquarters.

This year your chapter will be involved in more service projects than ever before and the lodge officers hope you will be active in supporting your chapter chief in these endeavors.

We also ask that every member do his part in the task of Unit Elections. It is important that every troop and post that want elections have them so we may better accomplish our original task of helping the unit in their camping programs.

This year holds many activities in store for us and we appreciate your support.

Yours in camping,

Matt Hosford

Lodge Chief
