Chiefly Speaking

My Brothers:

Welcome to the new year. Summer Fellowship was awesome. We saw many of you whom we don't see often including the Past Chiefs. It was great to see you all there. Thanks to Jordan Vance And Sam Clarke and their wonderful staff. It wouldn't have been the success it was with out them.

Tyler Engh
Lodge Chief 2002-3

I am looking forward to working with all of you this year. This year is going to be a great one. All my officers are very excited to get started on our plans for this year. Now is the time to collect reregistrations. The Vice Chief that has been put over your chapter will be contacting the Chapter Chiefs often to find out how reregistration is coming. Lets get out there and collect each members registration. You never know tokays average member could be next years Officer.

Lets go have an awesome year. I am looking forward to meeting all of you at L.E.C.M. on August 15 at Tracy. Together we have accomplished much yet together we can accomplish so much more.

Yours in Brotherhood,
Ty Engh

LODGE BANQUET –

It was a great night. Thanks to **Shawn Mann** and his committee the right combination of fine food and entertainment came together.

Rinceoiri Don Spraol gave a stunning performance of Irish dancing and even invited some of the audience to join in. Everyone was really into it.

With the Dutch oven dinner it could not have been better. There was plenty to eat and more provided by the caterers. As usually we had some past chief, past nation officers, and some civic leaders in attendance to add to the evening.

In attendance was **Mike Kirby** and the section officers who had been to other lodges in during the day and decided to stay here for dinner.

Founders Awards were presented to **Aaron Chaplin** and **Clint Price** for their efforts in living the spirit of the founders. **Aaron Anderson** handled the Vigil tap out to recognize over 20 arrowmen who have made distinguished contributions to the program through their service. We will have more on them in a future issue of the newsletter.

With about 250 in attendance it was a fine evening. Perhaps the best compliment was that no one wanted to leave and many stood and talked for an hour or so after the close. Put it on your calendar for next year - 3rd Saturday in January.

OCTOBER SERVICE –

If you noticed, some of the trees got removed from under the wires at Tracy. The look that was left by the trimmers was not at all pleasant to see. The Candidates and members at the October Ordeal planted about 150 new young trees to make up for it. They were planted in areas that will not interfere with the wires and are a slower growing tree that will do well at Tracy.

We will be adding to the collection with all of the ordeals that are done there and in time will restore the forest to a much better condition than it is now.

For those of you who helped, our thanks.

UNIT ELECTIONS –

Thanks to **Eric Greene**, the lodge is on the march with unit elections. The new program, announced last year and kicked off at the fellowship, is really producing some great results. Eric reports that we have over 250 elections scheduled and more are

coming in all of the time. In fact, we have doubled the result that we achieved last year and the end is not yet in sight. Eric is working for great things and he reports that thanks to the chapter advisers and chiefs great things are happening.

Thanks to all of you that have manned the phones and called the unit leaders we are getting a lot more interest than we ever have before and are getting a lot of interest in our council's camping program.

With the continuation of the program we will need a lot of you to show up at the chapter meeting and help with an election or two.

If you want to get involved now is the time and this is one of the best ways to do it.

Chapter 3 has really excelled with the program accounting for almost 75% of their units - congrats!

ORDEAL DATES –

With the success of the unit elections, we have a lot of pressure on the ordeal dates. The following dates have been scheduled for the lodge for this year.

March 28-29	Pine Canyon - Sage chapter
March 28-29	Wheeler Farm - Chapter 23
April 18-19	Tracy - Lodge Ordeal
May 9-10	Tracy - Lodge Ordeal
June 9-10	East Fork - Fellowship Ordeal
October 10-11	Tracy - Lodge Ordeal

Chapter can still schedule chapter ordeals if they want but they need to get the dates into **Shawn Condie** as soon as they can.

ORDEAL HELP –

As you can see from the schedule we have a number of dates - they do not include the dates for the Summer Camps.

We could have 300 or more at the spring lodge ordeals so we need a lot of help.

Registration people
Food service people
Ceremony staff
Elangomats

These are just a few of the jobs that are open and needed. If

THE EL-KU-TA LODGE – SPREADING THE SPIRIT, SETTING THE PACE

you want to participate on an ordeal staff and get a shot at earning the Elangomat flap this is the time to do it.

NEW ADVISER TRAINING –

We are bringing on a lot of new adults to help out with lodge and mostly chapter programs. Because of that and the changes that are happening in the lodge, the Lodge Adviser reports that there will be special training at LECM for new advisers in any position.

Training will be under the direction of Jim Wood and will take the whole LECM period. It will be sort of a Fast start type of program designed to get a new adviser familiar with the program and up and running.

We encourage all new advisers to take the class as soon as possible. You might want to bring another advisers to sit in on LECM for you while you are in the class. It is for all adults that will be working with youth.

If you are in the process of recruiting a new adult to work with the chapter, bring him along.

SERVICE IS STILL WHERE ITS AT!!

It's a fact, Jack - the most successful chapters are the ones that have an active service program. Chapters do Eagle Ceremonies, Arrow of Light ceremonies, usher at district and civic events, Flag Ceremonies, run events, and a host of other things.

Activity brings success and a feeling of pride in the chapter and in one's self.

Take Pride in Utah is coming up this spring and would be an excellent time for each chapter to do some community service in its area.

The Lodge Chief has a personal goal to get us all involved in service more and more and we encourage you to put some on the calendar each month or so.

More about this important subject to follow.

JUMPSTART –

Every once in a while a program comes along that is really neat!! So it is with this one. For you who are new arrowmen and really want a great overview of the Order of the Arrow, follow these simple directions:

1. Log on to the lodge webpage.
2. Find the link to the national page and click it

3. Pick Jumpstart
4. Plug in the password - obligation
5. Enjoy exploring the program.

For those who might not know, the lodge web page can be found at www.gslc-bsa.org.

Jumpstart will be a part of all new Ordeal events.

WAITED LONG ENOUGH? –

Yes we know that the membership cards have not been mailed out - we have a surprise going out with them that has just come in and we wanted you each to have it at the same time.

It will allow you to advertise your membership in Scouting's Honor Society whether or not you are in uniform and you will be excited.

You should have received it by the time that you get this newsletter - enjoy!

ORDEAL COSTS –

Due to the price increases by National Supply (for example about \$1.00 on a sash) the Ordeal fee has been increased.

For 2003 the Ordeal fee will be \$45.00. It includes the sash, ribbon pin, handbook, pocket flap, food, dues, insurance and promotional costs. We hope that you all understand that it is driven by National Supply and not the Lodge.

BROTHERHOOD COST –

The new Brotherhood cost after February 1, 2003, will be \$15.00 for the new sash. Sash prices have resulted in this increase also.

COMING TO A TERMINAL NEAR YOU

—

There is a lot happening with the web page - you need to check in these are some of the new changes.

Photos of past events
Download forms for event registration
Information on all of our events.
Maps to get to Tracy etc.
Links to the Section, Region and National pages
Email to the lodge officers

Information on registration for Ordeals etc.
New Calendar for the council with all OA dates
on it - click the date and get the info about it.

The newest is still under construction. All of our registration for Ordeals, Fellowship and Coup Trail has been put on the Camp computer at the offices. This means that when you go to the office and register, we get that information at once. It will save us shuffling all of those forms.

However, shortly, you can take the plastic and register for our events ONLINE. This will mean that you can save the drive to an office and a wait in line and you will get better information since the event links to our web page.

Leo Monsen, the council IT guy, has spent a lot of time in working this up. New registration forms have been prepared and we expect the online feature to be up and running in the next few weeks. Check the council page for the exact dates. We hope that you like it.

FELLOWSHIP NEWS --

There was a great promo at the banquet that was done by **Bryce Fuller**. **Matt Smith**, Chairman, said it will be the biggest and best yet.

With the service that there is to do at East Fork our ordeal and fellowship can really make a great contribution to re-opening the camp after the fire of last year.

The theme is: **AREA 520**

If you are into aliens, the military, fishing or any other related subject, plan on this one for a great time.

Dates: **June 10-14, 2003**

It will be a great time at East Fork and you need to be there. A registration form is on the Web Page now - you can down load it and fill it out or wait to do it online.

SERVICE AWARD --

This is the 2nd year of the Arrowmen Service Award. If you earned it last year and then qualified again this, you will be awarded the 2nd year pin.

If this is your first year, you will be awarded the ribbon.

Included with this newsletter is a form you can use to check off what you have done. Get your chapter chief or adviser to sign off on it and have them turn it into the Lodge Secretary, Tyson Meyer who will order the pins.

Since we have to order the pins before March 1, 2003, the forms need to be turned into the secretary before February 15th 2003.

Don't forget. If you in the form now and

No chapter adviser mail it to: Lodge Salt Lake Council, Blvd, Salt Lake City,

have done it fill get it in.

or officer, then Secretary, Great 525 Foothill UT 84113

OPPORTUNITIES - STAFF

LODGE STAFF - A variety of staff positions are open and all of the lodge officers are looking for people who would like to work. Why no contact one of them and get involved.

DEADLINES --

Due to the heavy number of candidates, the difficulty of planning for events, the pressure on the Service Centers, the phases of the moon....

We are establishing Deadlines for event registration.

If you are coming to a lodge sponsored event, you must register at least a week before the beginning date of the event

This includes Coup Trail, Fellowship, Section Conclave, Ordeals.

You can register at the door for Brotherhood, Ordeal staff, and for chapter Ordeals unless they make a different rule.

We hope that you understand - if you don't comply, we will probably have to turn you away and we would hate to do that.

SECTION CONCLAVE --

Every year in the spring - April to be exact - the Section hosts

THE EL-KU-TA LODGE -- SPREADING THE SPIRIT, SETTING THE PACE

a conclave for all section members. This means all of the members in the four lodges that make up the section, Salt Lake, Idaho Falls, Ogden, and Provo.

The conclave is great for training. You can get a degree in the conclave university. It has competition, shows, food, fellowship, and a host of things to do. It is really one of the great events of the year.

The price and the details are on the Section web page so you can keep up to date on it. You can download registration. With your registration send it to the address on the form - **do not send it to the council office.**

This year, the conclave is hosting the Western Region Chief and will be held in our own back yard - Woods Cross High. It opens on a Friday night and closes on Sunday about noon. Church services on Sunday are a part of the program.

Check it out on the internet.
