SEPTEMBER KICK OFF:

Chapters should be well into plans for the September Kick Off within the districts. Have your plans available so that yours can be included in the District plans as they are presented to Scoutmasters and unit leaders.

A yearly calendar is an important promotion tool.

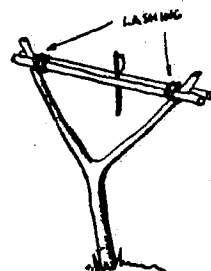

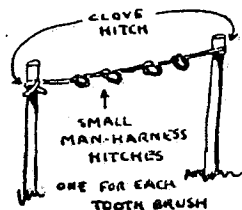

SMOKE SIGNALS

Out growth is just beginning to show promise. New activities in the chapters are being reported with an increasing frequency and success.

Congratulations are due the chapters for the work and interest they are showing. By getting all of the members active in some area of the chapter, we will be able to better strengthen the obligations that we have to promote better camping and more active scouting.

Let us continue to seek the Higher vision.

LODGE TRAINING CONFERENCE:

TRENT GROSE, Chairman has announced that the annual Lodge Training Conference will be held at Tracy on the 28th of August, 1982.

Registration details will be sent to each chapter in the new future, including costs and agendas.

The annual conference is a time for new chapter officers to meet and be instructed in the procedures of the Lodge and in various ways of motivating new members and keeping them active. New matters from National are reviewed and plans for the coming year are promoted.

It is an important event that no officer should miss. Chapters are encouraged to register those who will be officers next year as well as those who will be major committee chairmen in the chapter.

Special sessions are planned for advisors.

There will be no charge for the event, stated Trent, however an advanced registration will be required to that enough materials can be on hand.

Don't miss this event as it will be the key to a most successful year in the chapter.

JUNE CORRECTION:

Dick Anderson is alive and well and registered. Sorry about the mix-up Dick.

DANCE & CEREMONIES:

A number of the Chapters have requested additional help with Dance and Ceremonies. Often it is difficult to get a lot of ideas where just a few are interested.

During Each Lodge Executive Committee Meeting (LECM) held on the third thursday of each month, there will be workshops for Dance and Ceremonies. This will include Dance Practice for those interested.

The program will begin in September and continue throughout the balance of the year. It will start at 7:00 pm and run until 9:00 pm each evening.

No advance registration is necessary, just come on down to the Service Center. There is no cost.

Since there will be Dance and Ceremony competition at both the Section Conference (March) and the National Conference (Aug), why not shoot for some awards while you're at it?

NEW APPOINTMENTS:

The Lodge Chief announces the appointment of DARREN SAGERS and DAN SCHMIDT to head up the Scout Show Activities at Lagoon in September.

Darren will be in charge of the O.A. Service Corps to be formed for service at the Scout show.

Dan will be incharge of the various displays and booths that the Order of Arrow will establish at the scout show. If you or your chapter is interested in establishing a model camp or mounting a display contact Dan as soon as possible.

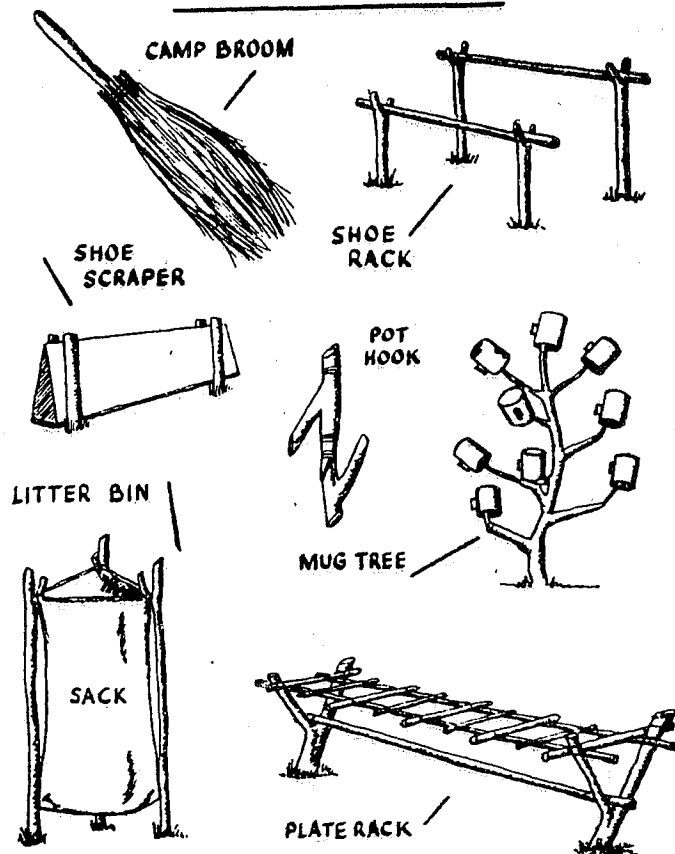

ELANGOMAT TRAINING:

The most important factor to success at any Ordeal Ceremony is well trained Elangomats who understand the importance of the Ordeal and its meaning.

Elangomat Training for the August Ordeal will be held at SER Ctr on August 10, 1982, at 7:00 pm. If you are planning on being an Elangomat you need to be at this training session. It will last about one hour.

Because of the importance in better preparing for Elangomat Service, the Lodge Officers and Advisor have committed themselves to this training session. You need to join them.

A SPECIAL THANKS----

Due to Other Commitments KADE PETERSON, Lodge Vice-Chief and Section Vice Chief has found it necessary to resign from his Lodge Office.

Kade has been a participant in a number of National Conferences and other events. He has spent a number of summers working for the Lodge in planning and actively promoting Fellowship, Training Conferences and special events, Kade has exemplified and fulfilled an arrowman's highest commitment to seek a life of service.

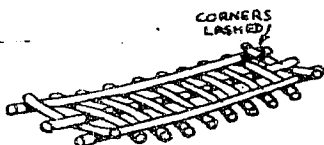

As a Vice Chief for the past several years, he has been responsible for a number of programs leading to the present success of the Lodge.

His counsel and friendship have made the Lodge a better place. While his future duties will include involvement as the Lodge Awards Chairman and the continuation of his work with the Section, we will miss his more active involvement.

We wish Kade well in his future activities.

AN ORDEAL REMINDER:

Ordeal ceremonies are special events for new members to commit to the Obligation.

In addition it is a time for a new member to review his personal commitment to the Scout Oath and Law and his personal code of Honor.

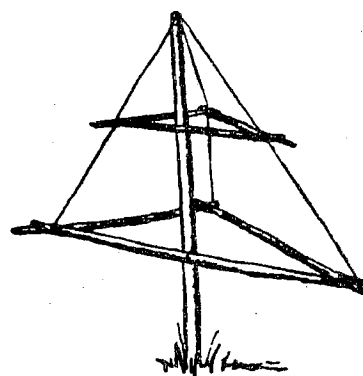

For this reason and others it is important the the ordeal be conducted in strict accordance to the guidelines established in the Handbook. Silence is one of those important guidelines.

For a candidate to break silence is a reason to further review his commitment to his personal honor with him so that the importance of the Ordeal is established.

For a member to encourage the breaking of silence is an indication of the members lack of personal commitment. This member has joined the Order for the wrong reasons.

As we participate in staff assignments at Ordeals and other Ceremonies, remember the obligation that we bear and act accordingly.

Ordeals are serious matters.
