ORDER  
ARROW

JULY 1983

## UNIFORM AND INSIGNIA

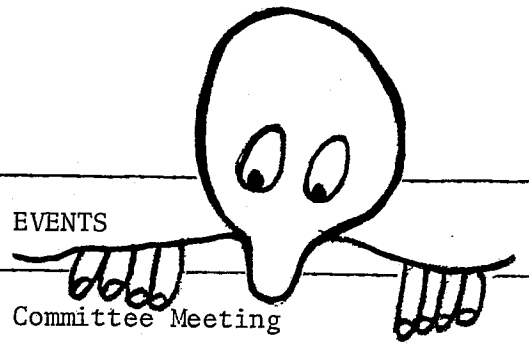

The official insignia of the Order of the Arrow are some of the most colorful in Scouting. It is the responsibility of all Arrowmen to wear them proudly and correctly.

All sashes are worn with the arrow pointing over the right shoulder. They may not be altered in any way, and no other badges are to be worn on them, with the exception of the 50th Anniversary Award and the 60th Anniversary Bicentennial Award. The Arrow sash is worn at Order of the Arrow functions and at special Scout functions such as courts of honor. It is not to be worn at troop meetings. This is to be done only when members need to be identified for rendering special services. The sash is not to be folded and hung from the belt.

# Summer Fellowship

## SUMMER FELLOWSHIP

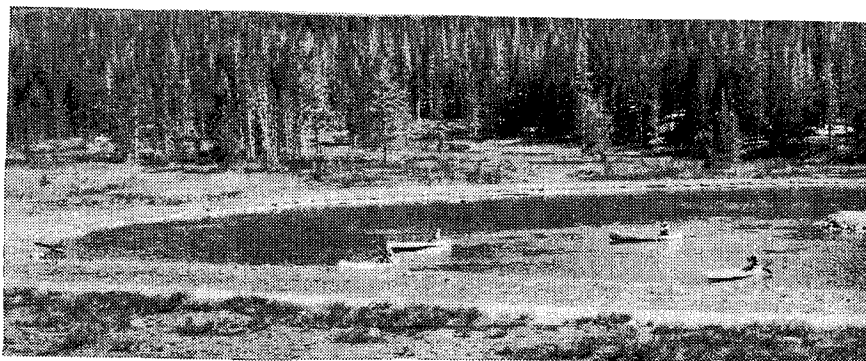

The Lodge Summer Fellowship was truly the outstanding social event of the year.

Those of you who were not there missed some fantastic Indian Costuming displays. Our brothers who presented themselves for costume judging here have done a superb job.

It was extremely hard for the judges to make a decision.

There was also a lot of fun to be had. As you can see, the lake and boats were available for those who wanted to take advantage of the events there.

In addition, there were workshops presented during the day on camp gadgets, Indian Costuming, and camping, as well as Indian Dance presentation and Instruction.

Then came the F O O D!!! Breakfast was good and lunch was fine, but they worked very hard at putting on the big feast. I think someone smuggled in a whole cow and then did not know what to do with it. I have never seen steaks that look like these.

There were alot of excited hungry people. We would like to say THANKS and let our appreciation be known to those who planned the menus, those who procured the food, and to those who made it taste so good.

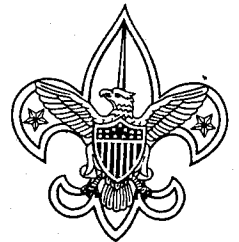

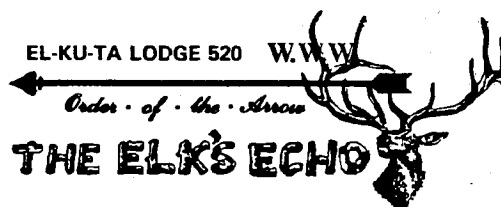

Breakfast the next morning was delicious as was lunch. We understand Dan Ward and Red Hills Chapter were responsible.

Well, as you well see elsewhere in this ECHO, all of our Vigils did survive and it looks as though they did so quite well. We would all like to congratulate them all upon receiving this prestigious honor.

We would also like to congratulate our new Brotherhood members who sealed their membership in the circle of Brotherhood. They are Brent Sonzini, Virgil Christensen, and Mike Sonzini. WELCOME!

The Lodge Elections were finally held amidst the popcorn chomping. You can find the results as you continue browsing through your ECHO.

LODGE EXECUTIVE COMMITTEE MEETING

The best way to provide opportunities for all Arrowmen to participate in the Lodge and its programs is for Chapter Officers to follow some simple guidelines:

1. Discuss Lodge programs with your advisor BEFORE the meeting and come prepared to participate.
2. Bring a list of your supply needs: Arrow Pins, Lodge flaps, 6" diameter Lodge patch, O.A. sashes, Lodge Service Slide, Order of the Arrow handbooks, Unit Election Forms, Lodge Service Slide scorreboards, etc.
3. Have all Chapter Officers in attendance with all Chapter Advisors each month to get Lodge information to take back to your Chapter and to give the Lodge your Chapter information on Lodge programming.
4. Sign up for service and participation opportunities as early as possible to allow good promotion with the Chapter.
5. Get the Chapter business done--such as Unit Election Forms and money making forms, etc. turned in--as soon as possible so that the Chapter remains healthy.
6. Keep accurate Chapter records.
7. Turn in Chapter news for the ECHO.

# BROTHERHOOD

## BROTHERHOOD MEMBERSHIP CHALLENGES YOU

Yours completion of the Ordeal set you on the next part of you "long and toilsome journey". Now, during your service as an Ordeal member, you have had ample opportunity to increase your knowledge of the Arrow and make it work for you. You have had at least 10 months of active preparation.

The time has come for you to follow your Brothers who have gone before you and seal you membership in the Order of the Arrow. You must complete these five steps:

1. Memorize the signs of Arrow membership.
2. Advance in your understanding of the Ordeal.
3. Serve your unit.
4. Plan for service in your Lodge.
5. Review your progress.

If you have completed you Ordeal in the yrear 1982, now is the time to begin thinking about sealing your membership in the Order of the Arrow by joining in the Sept. 9th Brotherhood ceremony.

It is most urgent that you NOW write your letter to the Lodge Secretary informing him of your desire to become a Brotherhood member. If you have any questions call Mike Sonzini at 272-1087 or send your letter to:

Mike Sonzini  
3593 Drage Circle  
Salt Lake City, Ut. 84109

## ***Smoke Signals From the Chief***

Dear Arrowmen,

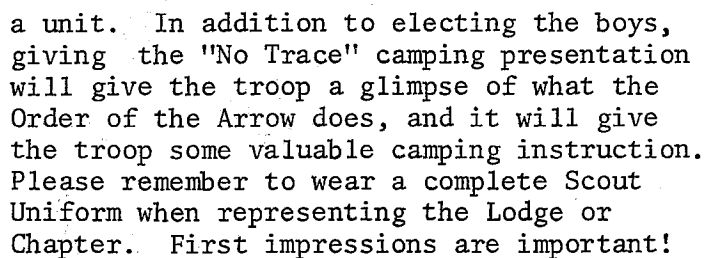

I would like to thank all of the people who have helped with the Summer Fellowship, and those who have helped with Ordeals throughout the year.

So far this year the Lodge has given over 8000 man hours of service to the community and the council. The service projects that have been completed come from a wide range of things. Some of the projects completed are; the painting of the buildings and the fixing up of the Water Front at Camp Tracy Wigwam, helping with City and County flood control (sandbagging and mud clean up), service at various Camporees, Arrow of Light ceremonies for Cub Scouts, and promoting "No Trace" camping in the Scout Units.

The Lodge would like to have the Chapters elect new officers by the end of August for two reasons, the first is so that the new officers can start planning the year, the second is so that the new officers can be trained at the Lodge Training Conference to be held on September 10th.

There are several things that I would like to see the Lodge accomplish this year. The first is a higher percentage of Ordeal Members obtaining Brotherhood, and the second is I would like to see the Chapters push the "No Trace" program to the Units in their Districts. One way to present this program without a lot of extra work is to show the filmstrip and hand out the books when you are holding a unit election with
