## SMOKE SIGNALS

The Lodge recently pasted an amendment to its By-Laws dealing with the election of officers;

Beginning in June of 1983, all Lodge officers will be elected at the Summer Fellowship and take office July 1st for a one year term.

This change will result in the cancellation of the Fall Fellowship and leave more time for the Chapters to begin thier program with the start of the Scouting year in September.

Chapters are encouraged to plan the events needed NOW for the fall so that they will be ready to kick off thier program with the start of the School year.

The Lodge Training Conference has been scheduled for August 28, 1982 for all new Chapter officers and Advisors.

*from the CHIEF*

The Next Lodge LECM will be held at the Council Service Center in September.

## NEWS FROM HOME

TRACY LODGE (future home);

Recent additions to the program will be adding some interest to the Lodge.

At present, plans are underway to do some major repair work to the floor.

This summer we hope to see the wiring and plumbing roughed in and the main supports and bracing of the floor and second story repaired.

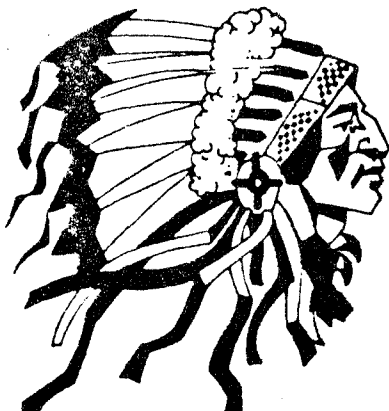

With the coming of fall it will be time to do some drywall work and building of interior walls.

Recent donation have included wiring, pre-hung door, misc. lumber, planking for benches and some telephone poles for totems.

If you are a totem pole carver we need you!

Work projects are available for chapters in the event that they are interested in going to Tracy and working on the Lodge on a service project basis. All of the work will be done by members so that it will truly be ours.

Get organised and join us.

### DISHWASHING

ONE OF THE FIRST THINGS AT CAMP IS TO PREPARE HOT WATER. WELL BEFORE CHOW TIME PUT A LARGE POT OF WATER OVER THE FIRE. PART OF THE WATER WHEN HEATED, MAY BE USED FOR WASHING HANDS, THE REMAINDER FOR SOUP, HOT DRINKS, COOKING, ETC.

THEN, BEFORE EATING, THE POT IS REFILLED FOR DISHWASHING.

**BUT**—IT TAKES A LOT OF FUEL TO BRING WATER TO A ROLLING BOIL, NECESSARY FOR SAFE STERILIZATION OF DISHES AND EATING UTENSILS.

**TRI-SAN** SANITIZER TABLETS (AVAILABLE FROM SCOUT EQUIPMENT DISTRIBUTORS) ARE RECOMMENDED. ONE TAB IN AVERAGE SIZE POT OF HOT WATER WILL SANITIZE YOUR DISHES, ETC. TABLETS THAT COLOR THE DISHWATER WITH GERMICIDE INGREDIENTS ARE THE BEST. ALL ARE NON-POISONOUS TO HUMANS.

# ORDEAL

The May Ordeal at Tracy was a tremendous success. Over 1200 service hours of work on the Tracy camp and with the Forest service were completed.

About 120 new ordeal members were inducted at four ceremonies which were held at the two new ceremony grounds the lodge built during the last year.

The Trading post was completely overhauled with new wiring and drywall, trails were improved, the O.A. lookout was finished, the Nature Lodge was painted on the outside and a number of repairs made, and the Pool area was cleaned. There were a number of other projects that were completed in Cub Country.

The Chapter will  
The Lodge will be working with the Forest Service on a continuing basis for the rehabilitation of trails in the canyons. Chapters could be assigned a trail, if they, desire for an ongoing service project.

The next Ordeal, Bear Lake on June 10, already has over 60 signed up.

The Next National Conference will be held in Mid August, 1983 at Brunswick, N.J. The conference will be held on the University Campus.

It is anticipated that the Lodge will be making arrangements for a tour of certain historical points on the East Coast in connection with the conference. Since our contingent will be limited it would help to know who is interested in making the trip.

For those who have not had the opportunity to have attended a National Conference, this is a mountain-top experience.

Clip the registration sheet and let us know of your interest so that we can keep you informed.

Formal registration and costs will be set out in the September Echo.

Echo Editor

Tracy Lodge Committee

The Lodge is Proud to Welcome  
SCOTT NIXON as the New Advisor of  
Farmington Bay Chapter.

Woapalanne has a new Advisor  
also, JIM HOLDAWAY, he's been around  
for a while as an Asst. Advisor.

# dance team

There seems to be a fair amount of interest in Dancing been revived in a number of the Chapters in the Lodge. (Ed. comment - Why isn't Dick Anderson registered??) For this reason and because a number of the groups are small, the Lodge will provide dance instruction for those interested during the Lodge Meeting.

You arrowmen who are interested in picking up some additional instruction or in meeting other dancers from other chapters, hitch a ride with the Advisor and join in each Third Thursday of the month starting in September.
