## A WORD FROM THE CHIEF

by Jasemaurice Feichko - Lodge Chief

Jasemaurice Feichko  
Lodge Chief 1991-92  
capacity.

Looking back over the first of the year, I see a lodge which has accomplished some amazing goals.

Scout-O-Rama was Especially successful with almost all of the chapters participating in some

Section Conclave was well attended and everyone enjoyed the entertainment (you guys get enough popcorn?). Some 213 new brothers have joined us this spring, leaving a healthy goal to the chapters in keeping them active.

As June rolls in remember your registration for the 1993 year is due.

On a more personal note thank you for all of the support I've received during my term — I've truly enjoyed serving you and together we have accomplished great things. The order is better today than yesterday because of the contributions each of you make each day.

I especially want to thank my officers for the time and friendship that they gave me and each of you during the year.

Yours in Brotherhood,

Jasemaurice Feichko

## NATIONAL CONFERENCE

## HONOR RETURNS

*Jasemaurice Feichko*, local lodge chief (soon to give up the throne) was elected as the W2A SECTION CHIEF at the conclave in Roy.

The lodge has seen a number of its members served with distinction in this office in the past and Jase will certainly carry on a fine tradition of excellence during the coming year.

As the Section Chief he is responsible to guide the lodges in Provo, Ogden, Logan, Rock Springs and Salt Lake. We wish him well as he assumes his duties.

For NOAC information  
call 561-3274

## SECTION CONFERENCE 1992

The section conclave at Roy High was a blast! For about 80 of us the weekend was filled with movies, workshops, good food and a great time.

*Danny Wardle and Troy Rosenlund* came away with some great awards in dance and have started a new tradition in the lodge. We had several in the dance competition for the first time in years.

Next year it is at Evanston High on the last weekend in April. Don't miss out. the price will be between \$30-\$35 and is a bargain - start saving the coins now for a good time.

## ORDEAL NEWS

by Rand McMullin, Ordeal Chairman

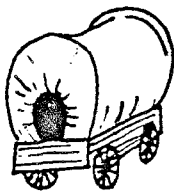

The next Lodge Ordeal will be on the 9th and 10th of June at East Fork. This will be in connection with the Summer Fellowship. Come on up to the ordeal and stay for the fellowship.

The fee for all ordeals this year is \$25.00 and will include a flap and ribbon pin in addition to the sash. Early registration is urged.

The Lodge ordeal in April inducted 76 new members and the one in May inducted 101 new members. Thanks to all of those who served on the staffs (especially since the May ordeal about got rained out).

*Woapalanne* (chapter 4) had a great ordeal in April and welcomed 21 new members into our brotherhood. Thanks and well done guys.

*Mikanakawa* (chapter 1) had great success with 12 new members at their ordeal at the Kaysville Wilderness Center. This is a first for them and it was well done.

## BIG EVENT

Want to be at East Fork a little more this summer? Why not come up and help with the BIG EVENT. This is the greatest Varsity event ever - 1500 people and 40-50 events to get involved in.

We are doing the Friday night campfire and elections and helping with many of the activities. Why not give *Bryan Coester* a call at 566-6922 at offer your services. You will really have a great time at this one.

## RE-REGISTRATION - 1993

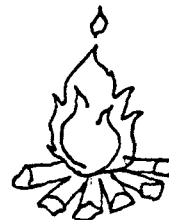

Yes, I know that some of you just got around to it by Christmas of last year and yes, I know that we are just in May.

BUT - let's do it right this year and get it done on time. Five bucks is not going to break anyone and it provides you with a great program. Want five great reasons to re-register this year. Here they are:

1. 'Cause Jase will bang on your door at 1:30 am if you don't.
2. 'Cause you can't stand to miss even one issue of the Legend (even if it is late).
3. 'Cause money talks and you can yell at the lodge officers if you are a current member.
4. 'Cause its too hard to cut the flap off of your uniform.
5. 'Cause you promised *Allowat Sakima* you would keep the tradition alive.

Why not put the \$\$\$ into your fellowship registration or fill out the form in this issue and get it in.

The Lodge Chief will thank you, the Lodge Adviser will thank you and — well you know the rest, you can enjoy Christmas in peace this year.

You can come to the Fellowship on a meal by meal basis too

## FELLOWSHIP '92

by Brad Mecham, Lodge Vice Chief

The time is now! The place is East Fork! The event is the Summer Fellowship!

Get your registration into the lodge immediately for the greatest show on earth (oops, that's the circus - oh well close enough). If you miss out on four days of excitement at East Fork you deserve to be flogged!

For a measly \$30.00 you too can enjoy the waterfront, rifle range, great food, all night movies, campfires, fishing, competition, and a hundred other activities.

There will be workshops on indian crafts and camping. Costume competition. Dance instruction.

You will also have the chance to cast your vote for the officers to lead the lodge for the coming year.

All you have to do to get involved is:

- a. Send in the \$\$\$\$\$
- b. Get in touch with your chapter to arrange a ride - or set it up yourself.
- c. Call *Richard Kennard* (968-7257) or *Brad Mecham* (561-3274) if you have any questions.

You should have received the registration materials by the time that you read this. Are they in? Well what are you waiting for???

## ADVISER'S MINUTE

By *David E Halliday, Lodge Adviser*

It is always with mixed emotions that I see the Summer Fellowship coming. It is the end of another great year with some fine lodge officers and the beginning of new challenges.

This year some of you will begin to assume leadership roles in your chapters and in the lodge for the first time. Make it a time of opportunity for yourself and for those who will look to you for leadership.

We should all thank Jase and this year's officers for a job well done and wish them well as they move on to new and exciting challenges.

A ticket to the Fellowship  
is only \$30.00

## CHAPTER MEETINGS

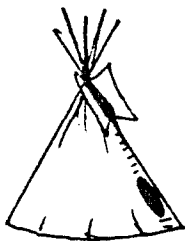

If you are a new member (and 213 of you are) and if this is your first copy of the Legend (which you undoubtedly will want to enshrine in your journal). Let me be the first to invite you to attend your next chapter meeting.

Chapter meetings in each district are held at the same time and place as the district roundtable. That's the first or second thursday of the month. This is the place to become involved in our activities.

Why not put the chapter meeting on your agenda right now for next month. See you there.

## LODGE HOTLINE

Additional information for new and old members. The lodge hotline 292-4801 is still in existence. You can call it (did I mention the number 292-4801?) night or day. It will give you all of the importance facts about what is coming up in the OA. (It's really like a data dump on your computer) It includes the phone numbers and names of who is doing what (to whom). Why not call it now and see what's happening?

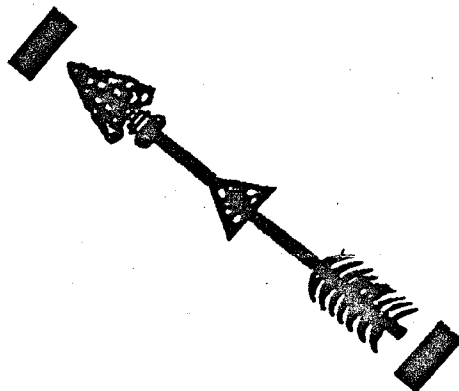

Yes, I'm going to the  
Summer Fellowship

## UNIT ELECTIONS

*Lane Hansen* our elections chairman want to remind every one to (a) get the forms in you have been holding since time began and (b) hold an elections in your own unit if you have wasted the last 6 months and haven't got it done yet.

Now is the time to get the work cleared up so that we can move on to other activities for the summer. By the way, Thanks Lane for a great job this year.

## BIG EVENT -- AGAIN

Bet you thought that I would forget the date for you — not even close. It's the 19th & 20th of June. Roundevous Meadows at East Fork. Slight charge for food is all it's going to cost you.

Be there!!

## SUMMER FELLOWSHIP - AGAIN

The fellowship has an exciting agenda for every member:

Remember its only \$30.00 bucks for a great 4 days.
