Chiefly Speaking

My Brothers:

This is the last issue before the Summer Fellowship. The year is going fast and we have a lot to do before we gather at East Fork of the Bear.

We need to wrap up unit elections, make sure new Brothers get to the Ordeals that are scheduled and elect new chapter officers for the coming year. Make sure that they are good ones!

In June every member should plan on being at the Summer Fellowship. In addition to the eye patches and food, there is a lot to learn and plans to make for the coming year - we need each of you to be involved with that.

As the week proceeds at East Fork, you each have the chance to elect lodge officers for the coming year. I encourage you to get to know each of the candidates who will be running and select the one that you feel will best represent you and build a great program. In 2006 it is possible that we could host the National Order of the Arrow Conference in Salt Lake - we have much to do.

Together we have achieved much, together we can achieve much more. I hope that you will see the opportunity that faces us in the future and the task that is before us. Each is needed, each has a role to play. If you are new or a veteran, start with the Fellowship. Arrrrgh!

I look forward to meeting you at East Fork for the finest Fellowship in years.

Yours in Brotherhood,
Aaron Anderson

FELLOWSHIP -

The Summer Fellowship is:

June 11-15, 2002
Tomahawk - East Fork of Bear

Plan on attending this event as it is one that you will not want to miss. More information inside.

WOW - What a CONCLAVE!! -

Mountain View High was the setting for 650 Arrowmen at the Section Conclave. We had over 150 from our lodge to Kick off the New Section including us, Provo, Ogden and Idaho Falls. It is really exciting to have some new faces.

One of the highlights of the Conclave was the election of **Michael Kirby** from El-Ku-Ta as the new Section Chief and the first Section Chief for the new section.

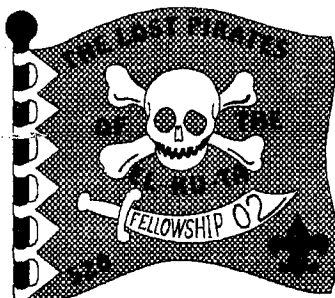

Numerous adults and youth participated in leadership roles, teaching classes, managing athletics, and serving on various committees during the conference. Thanks to all of you that took the time to serve your brothers. It was a great conclave and next years should be even better.

Fellowship News -

You will be overwhelmed with the excitement this year! - Aaaargh!

THEME: "Lost Pirates of El-Ku-Ta!"

Dates: **June 11 - June 15, 2002, at East Fork** - Five days, food, fun, patch, Fellowship for **\$65.00** - that is a deal if there ever was one since it includes your dues for next year.

Wow, classes in the afternoon, come and learn some new skills just for the fun of it. Waterfront, Shooting range, wide games, Brotherhood Ceremony, Campfires, movies, tremendous food, eye patches, swords, High Uintas, and more. Could anything be better? Could it be more exciting!

The answer is - not in this lifetime!

The registration forms are out. The mailing to each of you is set to begin. Life as you know it will be changed forever. Scrap up the coins, free up the dates, sign the form and don't be left down in the hot dry city when you

can have a week in the forest with a great group of brothers.

If you would like to be on staff, contact Jordan Vance ASAP. You can e-mail me at jvance10@excite.com, or you can find me at the next LECM.

If you went to the lodge banquet or the section conclave, write "banquet" or "conclave" in the line marked adjustments (only one), and you can take \$5.00 off of the price. We can coordinate that with the list we have of the dinner.

OPPORTUNITIES - STAFF

SUMMER FELLOWSHIP - Staff positions open
- Call **Jordan Vance at 254-2274**

LEGEND EDITOR - Call **Shawn Condie at 253-9031**.

CABINET MAKER - We need someone with finish carpentry experience to help the lodge with a service project. Call **Dave Halliday at 292-4686**.

Dance Team -

If anyone is interested in dancing or outfitting, come join the lodge dance team. If you don't dance, come learn, or if you just need an outfit for ceremonies, and don't dance, that's just fine. Call or email **Zach Ames 967-6567**, cldbames@home.com or **Tyson Meyer 571-3610**, meyer5@uswest.net.

Unit Elections -

We need Help from all the chapters. If everyone held an election in his own unit and in the units that meet in

the same building as his does, troops and teams, we could complete over 50% of the elections.

We still need some help for this one. We are running out of time to honor potential brothers - get it going so that we can welcome a lot of new members into the OA. If you need help please contact **Sean Keil 967-8849**, qwiksilver@home.com or **Zach Ames 967-6567**, cldbames@home.com.

Service Committee –

The Lodge announces the appointment of **Chris Flink, 968-3846**, as the new chairman of the Service Committee. Service is the purpose for the Order and chapters that maintain a strong service tradition generally have more active and interested members.

Chapters are requested to keep track of their service hours and report them on the forms at LECM so that the lodge records will be accurate and up to date.

Arrowman Service Award –

This is the second year of the award. If you earned it last year, get a new card and work on the 2nd year pin. If you didn't then get a card and work on the 1st year. As soon as you complete it you are eligible for the award.

The award will cost each member \$5.00 when it comes in.

if you want to qualify for this year you must fill out the card and

send it into the lodge. Mail it to OA Service, Great Salt Lake Council, 525 Foothill Blvd, Salt Lake City, UT 84113.

If you complete it all three year, there are interesting devices for the next two years that go on it. If you are just starting then 2002 will become your first year for completion.

Call your chapter officers or the lodge officers if you have any questions about qualification - but now is the time to get it done.

From The Treasurer –

REGISTRATION!! That is the name of the game for the summer. If you still need to register for the coming year you can send it in now. In July we will mail a special gift to all those who have registered for the 2002-3 year.

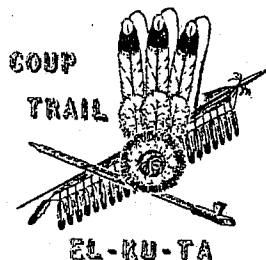

There are several ways to do it.

1. Use the form at the end of the Legend and mail it in.
2. Give it to your chapter adviser or officers
3. Drop it off at any of the Scout Shops.

You can check your label to see when your registration expires. The date on it is the expiration date of your registration.

COUP TRAIL –

Catch the Bold Type - that's 'cause it is important! If you want an outstanding leadership experience, advanced youth leadership training, an in-depth knowledge of the OA, tips on how to motivate chapters and plan huge events, Coup Trail is the Place.

Since the course maxs out at 80 there is hands on training and personal coaching for all of the skills taught. Now in its 17th year, chapter, lodge and national officers have been the recipients of its training.

It is not merely another course - it is THE Course for youth leadership in the Great Salt Lake Council. Don't be slow, get some information and get on board for this years' course if you haven't been contacted already.

Check out the web page at www.gslc-bsa.org for more information on it.

NOAC -

One of the best events of the year is the National Conference (NOAC). Held every two years it combines the best of training, shows, fun and, of course, the lodge tour.

This year we are allowed to take 12 youth and 6 adults to the conferences. Some of the slots have already been signed up. It is filling up fast. Call Dale Flink or Bryan Paget now to get involved, by the middle of May the slots will be gone and you will have to wait for another 2 years to get a chance to be at the conference.

The trip will include Indianapolis, Chicago and Detroit with a lot of "stuff" to do and see in each one - not to mention the conference.

Brotherhood -

There has been a lot of activity. Twelve joined the Brotherhood ranks in February, 13 in March and 8 more at the Section Conclave. Thanks to the Dedication of the Committee and the chapters we are on the way to making this year one of outstanding achievement for those who desire to complete their Ordeal path and become Brotherhood members.

We congratulate all of you on taking this important step. If your coming to the Fellowship and have been an Ordeal member for 10 months or more, why not plan on becoming Brotherhood as part of the Fellowship activities.

One Day - Service -

Ty Engh announces a new opportunity for members of the lodge. On May 25, 2002, anyone who is interested will meet at

to complete a day of Service. It will give all of us a chance to make the community better and remember the purposes for which we are founded. Hopefully it will be a traditional event from this time on.

We will meet at

The nominees will be called out in ceremonies at the Lodge Banquet.

N.O.A.C. -

For the new KY, Chicago, Nauvoo, Detroit, New York City, and dozens of points in between. The specific information will be sent out by the first of the year as to agenda and costs.

If you didn't get to the Jamboree, check this out (it is just as exciting). If you did and you want more of the same except on a university campus, come join us. It is first come first served for the slots available.

Adviser's Minute -

Where has the time gone. Another year has almost gone and it is time to plan the summer fellowship again. New times, new friends, new officers to lead the lodge. All are coming up. To those of you who are new, make Coup Trail and the Fellowship a part of your plans for the summer. To those who are "old hands" the activities give us a chance to renew our friendships once again.

Don't stay home. The importance of the OA is to get involved. The Day of Service is a good chance to do that and to start something new at the same time.

As the Jamboree Service Corps Theme stated, "Gettin' Our Sashes Dirty". That's what it is all about.

Yours in Brotherhood,
Dave Halliday, Lodge Adviser

THE LEGEND

Published every other month for the benefit of its members. The Order of the Arrow is sponsored by the Great Salt Lake Council, Boy Scouts of America.

Articles and information may be sent to: Editor, The Legend, 525 Foothill Blvd, Salt Lake City, UT, 84113.

Articles and photos become the property of the El-Ku-Ta lodge and will not be returned.

Ordeals –

There is a lot of help that is needed for the ordeals on May 17-18 and June 10-11. Elangomats, food service, registration and other tasks need arrowmen to help with them.

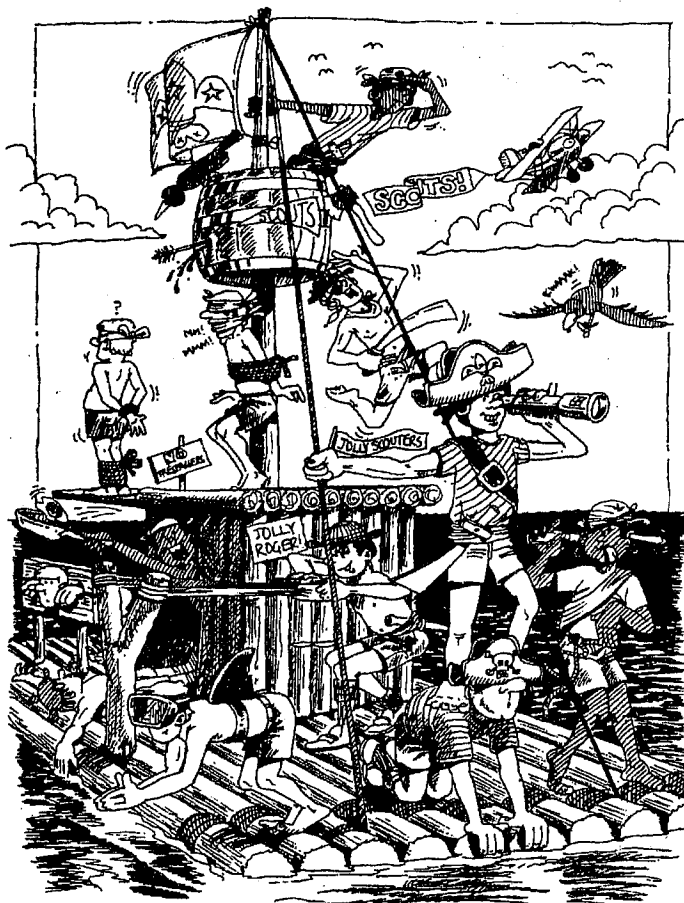

Give Chris Kennedy a call if you would like to be involved in the Ordeal Process.
