WE HAVEN'T GIVEN UP THE SHIP!

The big ship **Titanic** boasted of a lot of firsts —

- The first unsinkable ship.
- The first unsinkable ship that sank.
- It even had the first orchestra on board, for the enjoyment of its passengers. The band was so unusual that one of the passengers when saw it, hollered, "Hey! A band on ship!"

They thought they heard the command, "Abandon Ship!" so the crew started lowering lifeboats and directing passengers out onto the water. Confusion and overpowering fright stunned the passengers, but finally order was restored. Awhile later, when an edge of a hidden iceberg sliced silently through the **Titanic's** steel hull, and "Abandon Ship!" was sounded in earnest, many people thought it was a rotten joke, and stayed in their cabins.

Because of this misunderstanding, lots of people died. Dreams went undrempt and unfulfilled. Plans and promises sank beneath the whitecaps.

Having learned a great lesson from history, we want to make sure you know the ECHO people haven't abandoned ship.

We have schedules and are going to stick with them. News items are expected by our editor, Richard Scott by the 15th of each month. This gives Richard a week to edit your works. Then look for the ECHO in your mailbox by the first of the month for your reading pleasure.

Our ECHO editor welcomes correspondence each month from all chapters. If any of our OA brothers are skilled cartoonists, we will appreciate receiving your work. Mail them or bring them to Richard Scott's home — 3066 South 2850 East, Salt Lake City, Utah 84109.

SUMMER FELLOWSHIP

Our 4th Annual Summer Fellowship will be on the East Fork of the Bear Reservation. The dates of this fantastic event will be June 12, 13, and 14, 1975. This jamboree style campout involves three days of fishing, hiking, exploring, patch trading, etc. A movie will be shown, one of the nights in one of the outdoor theaters. In the past the movies have been "Butch Cassidy and the Sun Dance Kid," "Follow Me, Boys!" and "Paint Your Wagon." This year the film will be of comparable

quality. The midnight oil will burn while making new friends, trading patches, and digging into the evening cracker barrel.

All meals, the movie and a patch for the activity will be provided as part of your registration fee. The check-in time on the 12th will be between 4 and 7 p.m.

There will also be a Brotherhood ceremony for those of you who meet all of the requirements. For more information on the Brotherhood contact Dave Halliday at 363-9580. \$1.50 will be charged for a new Brotherhood sash.

Now that you know what to expect at the event of the year, you'd better get your reservation and money in, to hold your spot.

This unbelievable plan for 500 Arrowmen to enjoy themselves sounds like it will cost a fortune? WRONG! The cost this year is only \$10.00 for three of the funnest days of your life. This registration fee can be paid at Scout headquarters, or mailed into Scout headquarters.

How can any Arrowman miss this great activity? Tell every Arrowman about it. Don't be left out of the fun. Register for the 4th annual OA Summer Fellowship NOW!

NORTHWEST CHAPTER'S BLURB

We of the Northwest Chapter had a successful election and are now making plans to meet these new 75 candidates at the East Fork of the Bear in June.

We have performed several Eagle Ceremonies each month, and were happy to help where we could at the Scout Explo at Lagoon. We helped with parking and night guards in the so called sleeping area.

Welcome to all you new OA Members. We enjoyed your participation at the Summer Fellowship and congratulations on making it through the Ordeal. Our OA meetings are held on the 2nd Friday of the month at South Davis Junior High, 298 West 2600 South. Please try to attend those in order that we become better acquainted and keep you posted on vital events.

Thanks to all the old faithful members who helped at the East Fork of the Bear.

Sincerely,
Chet Ray
Chapter Chief

MEET DOCTOR SCOTT

Richard Scott

Maybe you would like to know what the first words ever printed after the invention of movable type were — on the first printing press: "**In principio creavit Deus caelum et terram,**" the first words of the Gutenberg Bible in Latin — meaning, "In the beginning God created heaven and earth." Since we are talking about first words, how about this:

"Siláahtso yázhí, Wimach-tendienk Wingolauchsik Witahemui da'atahígíí bíl dahózhó dóó báhoneedlígó ahíł ndaalnish dóó ahíłká anáájah laanaa."

These are our new **Echo** editor's first words, spoken in the language of Leni Lenape* which interpreted means, "I hope my brothers will serve cheerfully, have lots of fun in OA, and really get involved!"

Our new editor, Richard Scott, born in Salt Lake City, son of Verl F. and Arlene Scott, is in East Chapter, a Scout in Troop 496, Canyon Rim 4th Ward. He is an Eagle and an Ordeal member — looking toward his Brotherhood. He has 55 merit badges and one bronze palm. He plans to be a medical doctor.

NORTHEAST CHAPTER IS EXCITED

Members: What's happening? Let's wake up and do something!! We have 44 re-registered members out of about 150. If you do not re-register, your name will be put on an inactive list, and you will be asked to take off your patch and never again wear it until you do re-register.

Welcome, new members! We are very pleased that you have joined this fellowship of trustworthy, hard and good working honored Scouts. This year, with you as new members, will surely be one of the happiest, most productive years of your life!

With Doug Jorgensen as your chapter chief, Howard Cook as vice chief, we will accomplish many great things. You have good leadership. You have proven yourselves worthy, and have been chosen by your fellow Scouts to be a member of the Order of the Arrow. You are expected to be a good example to your fellow Scouts as an effective leader and an honor Scout. Plan to attend ALL your chapter meetings, and diligently support your chapter in all of its endeavors. Good luck, and remember who you are.

Sincerely,
David Webb
Northeast Chapter Secretary

SOUTH CHAPTER — "BOYS RUN THE PROGRAM!"

Congratulations, candidates of South Chapter on being nominated. Remember, the boys run this program, not the advisers. We want all of you to be active and have fun. Our meetings are the 2nd Thursday of every month at Murray High School. Remember, we run this program, and we want to see all of you out at our meetings. We plan on camping as soon as we can after the Summer Fellowship. You will have fun. I know it!

Sincerely,
Kevin Bradshaw
Chapter Chief

HOT LINES

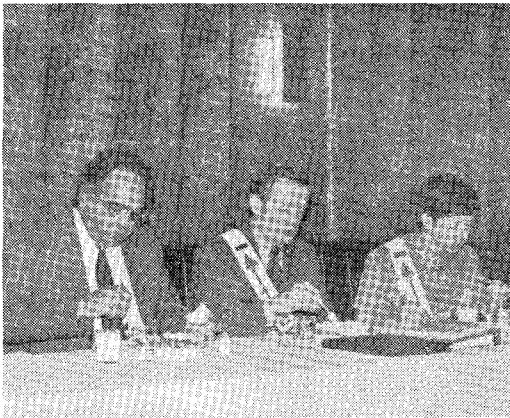

The El-Ku-Ta Lodge officers and members should be able to contact all registered members any time it is necessary by means of phone-calling committees. "What's a phone-calling committee?" A phone-calling committee is made up of members who have been assigned by their chapter chief to contact a certain number of Arrowmen each time the OA has a function. The committee will only work if you are willing to cooperate, and take the assignment of contacting those members who you have been asked to be responsible for.

Please help us in this. Our lodge can become 100% better and bigger if you will only take the little bit of time that it takes to help your fellow Arrowmen.
