VOL 32 NO 11

NOVEMBER 1987

STEVE SUGDEN

As the year is practically over it is great to see the progress of the Lodge. It is fun to see the progress that has taken place. We stand further than ever before. This is credited to you as members and leaders of the Lodge. As to the October Ordeal, I would like to take this time to thank the following; Chapter 24, Chapter 16 & 27 for thier help with the ceremonies, and Chapter 23 & 24 for help with the Brotherhood.

This year still has many opportunities. Of most importance is the Fall Fellowship which will be the 13th and 14th of November. It will be \$10.00, and includes 4 meals and a patch. There will be dance competition and fun for all. In January, on the 22nd we will have the lodge banquet at the U. of U. Ballroom. It should be great.

Besides these, I would encourage everybody to try and get someone to register. Help the lodge reach its goals in membership. Thanks to all those who are helping the lodge go forward.

Yours in Brotherhood,

Steve Sugden  
Lodge Chief.

Seminar staff included section and region officers and the National Vice Chief. The seminar is held every 2 years and in an intensive training course into the operation of the Order.

Congratulations to those who completed this event the training will help our lodge.

## ATTENTION CHIEFS & ADVISERS

The time is drawing near to consider nominations for the Vigil Honor.

Take some time to give this serious consideration and deep thought.

Nominations must contain a description of service showing service to the lodge, unit, scout camp or council beyond the requirements of a person's position in the OA. The candidate needs to be more than just a "neat" chapter officer. He needs to be truly dedicated to the obligations of the OA and the kind of individual that goes more than the extra mile-- maybe even tow or three extra miles.

So please give some serious thought to these requirements. Review the requirements in the handbook before you submit your nominations.

David Haag, Vigil  
Adviser

## N.O.A.C.

We are making great success with the National Conference plans. A number of arrowmen are signed up and now is the time to get o the stick and make your plans for next August. If you ever thought about going to National Conference, call the lodge secretary for an application.

# ORDEAL REPORT

## ORDEAL REPORT

October saw some real action in the Ordeal arena. The Lodge ordeal hosted 125 candadites and Red Hills saw another 10 join our ranks. A number of chapters including 24, 16, and 27 all provided staff and assistance to make the lodge ordeal a great success.

The brings to 537 the number of candidates that have joined our ranks since the first of the year and marks a substantial increase over last year.

Thanks to Chapters 2 and 16 who pioneered chapter ordeals this year, a number of chapters are making plans for the coming year with their own ordeals.

## NOTICES

January 22nd will be the date of the annual Lodge Banquet. Again this year we will be at the U of U Ballroom for another outstanding meal and program.

Super speakers have been the rule and in addition to honoring chapters and individuals, the evening will be the setting for the Vigil Tapout for 1988 Vigil nominees.

At a price of \$7.50 per plate, it promises to be an outstanding evening. You can order tickets from the Lodge Officers or at the Council Activity Desk now.
