## A WORD FROM THE CHIEF

by Jasemaurice Feichko - Lodge Chief

With the summer closing and the fall activities of the lodge under way, I would like to thank a bunch of people who have been working very hard in order to help our Order run well.

Ran McMullin did an exceptional job with our October Ordeal and is looking forward to getting 100 more guys through our November Ordeal as well. Darrin Eggett's brotherhood ceremony on the 21st of September had over 23 brothers seal their membership.

Each Chapter chief should be working hard to help all our eligible brothers complete their Ordeal by providing a way for them to come to the upcoming Ordeals.

Chapter meetings this month have been great! Keep the higher vision by making your chapter excel in all areas. Congratulations again to our new ordeal members and, of course, thanks again to all the officers of the lodge.

Yours in Brotherhood,

Jasemaurice Feichko

## PROGRAM KICKOFF

by Jasemaurice Feichko

I want to thank those of you who supported the Program Kickoff at Tracy. If anything it was a great way to see the lodge officers in operation when a lot of things are going wrong.

Some great classes were taught, there was plenty of food (especially milk) and dozens of handouts. We had the following material handed out: ideas for chapter meetings; yearly calendar; roster of officers & advisers; tips for secretaries; new officers manuals from national; new copies of the Legend; sample agendas; and many others. If you didn't get them you really missed out.

Even though the program was cut short by the rain, there was a lot accomplished. See you at the event next year.

## N.O.A.C.

by Brad Mecham, Vice Chief

The National Conference in 1992 will be the most exciting one ever. The lodge has planned three conference packages for members to chose from. A brochure explaining each is available my calling Brad Mecham, 561-3274.

We will be traveling with the Provo Lodge and that will add a lot of excitement to the trips. All of the tours will be fun and will include the conference, transportation, food and some sightseeing. The costs range from \$550.00 to \$1000.00.

NOAC is held every two years and a a great chance to join with 7500 arrowmen from around the nation in a week of a variety of activities. Why not call Brad for a brochure and make plans on attending in August of 1992.

## ADVISER'S MINUTE

by David E Halliday, Lodge Adviser

It was exciting to see the ordeals and the brotherhood ceremonies of the past two months. The activity of the chapters is increasing and the program is becoming better.

Chapters can expand their opportunity to involve more and serve more within the district and units. A chapter ceremony team is almost a must. Why not take the time now to get one going so that your chapter will be ready for its own spring ordeal and able to handle its own brotherhood ceremonies.
