## Chiefly Speaking –

My Brothers –

It looks like this year, the 45<sup>th</sup> anniversary of the lodge, is going to be a big bang. We had an amazing ordeal program at the summer camps and I would like to send my thanks to those arrowmen who worked hard to make that program a success at camp. I would also like to personally welcome and

congratulate those members who joined at camp.

The program kickoff at Murray park was also a big success. I would like to thank all those arrowmen who came out for some games, and food, and especially all those who came and re-registered at this event. The theme for this year, which focuses on remembering our past, was also presented at this event. What an event!

I would like to challenge every member of the lodge to get active and participate in this historic year. Come be a part of the year that will pave a new road for the Order of the Arrow. As we focus on the past, let us also look to the future and to YOU the future leaders of this lodge.

Yours in Brotherhood,

*Landon Huber*

## New Officer -

Due to the fact that no one ran for the position of Lodge Treasurer, the Lodge Chief has appointed **Chris Anderson** as the new Lodge Treasurer. Chris is 16, an Eagle Scout from Chapter 17 and has been active in a lot of OA activities including Coup Trail where he served this year as one of the Vice Chiefs.

## Fellowship 2001 -

**Doug Bennion** reports that the Fellowship committee is well under way for an exciting event next summer.

The Theme will be **45 Years of Tradition** and in addition to the Fellowship it will be the 45<sup>th</sup> Anniversary of the Lodge. They are currently recruiting staff - and you can sign up for it by contacting Aaron Goodrich, Lodge Vice Chief at [aaronjgoodrich@deseretonline.com](mailto:aaronjgoodrich@deseretonline.com) and have him forward your name to Doug

The dates are June 12-16, 2001, and the cost will be about \$55.00. Plan on it now! Doug can be reached at: 571-9761

## Batting Average -

We are on a roll. The box score shows great improvement considering none of the chapters met over the summer.

REMEMBER: We set the pace - we don't follow it!

## 45<sup>TH</sup> Anniversary -

The lodge was founded in 1956 at Ceremonies at Steiner where the first ordeal was held. This year marks the 45<sup>th</sup> Anniversary of Tradition, Service and Fellowship in the EL-KU-TA Lodge.

Already an Anniversary Flap is being designed and the year will have a number of other exciting features to it, ending with a Birthday Celebration at the summer fellowship. Stay tuned for more information.

## Unit Reps -

This is a great way to serve your unit and you will be getting an issue of the **Nimat**, the new publication for the reps in the lodge. It comes out every 2 months. All that is necessary is that you let the lodge know that you have been appointed - you can do this at the time you or your unit leader buys the patch for your uniform.. We will keep you on the list for 6 months - longer if you are reappointed.

Go after that next rank and do some real service for your unit at the same time. Contact Kason Goodrich to sign up at 2870-9190.

## Program Kick Off -

The Annual Program Kickoff for all Chapter officers and advisers will be held September 9, 2000, from 8:00 am until 2:00 pm at Pine Canyon. Breakfast and Lunch will be served there is no cost. Call the Lodge Secretary and let him know how many are coming.

Lodge Officers and Advisers are invited to be present Friday night for their training and stay overnight.

A Brotherhood will be held at 7:00 am at Pine Canyon for anyone interested. Fee: \$12.50.

## NOAC News -

Wow! What a trip! What a conference! Incredible is the only way to describe it. Some of our members served on staff, some drove almost non-stop to be there and some toured, but the net result was that all of them had a ball.

The training was exciting. The shows really great (in fact the lodge had its system down for getting great seats at each of them). Founder's Day had everything from the Navy rock band, Atlantis, to foods from across the nation, to a number

of activities from a dunking tank to a silk screen operation for your own shirts. All of the lodge participated in serving as staff for Founder's Day and in presenting Coup Trail and ceremonies ideas at the Best of The Best presentations in the morning of Founder's Day. Our presentations were excellent and a lot of interest in Coup Trail was generated.

The tour group hit Washington DC, Virginia Beach, Monticello, Pigeon Forge, and Atlanta before and after the conference and kept moving from early morning until late at night. The special tour of the Capital in Washington, the Lincoln Memorial at night, the beach, and the Coke Museum were just some of the highlights.

Members on staff were; **David Halliday, Fred Dupaix, and Dick Smalley**. The contingent was comprised of **Aaron Anderson, Bryan Paget, David Augason, Dale Flink, Chris Flink, Richard Flink, Aaron Goodrich, Andrew Perry, Kason Goodrich, Chris Coonradt, Doug Bennion, Chris Kennedy, William Kennedy, John Kennedy, Landon Huber, and Steve Luna**.

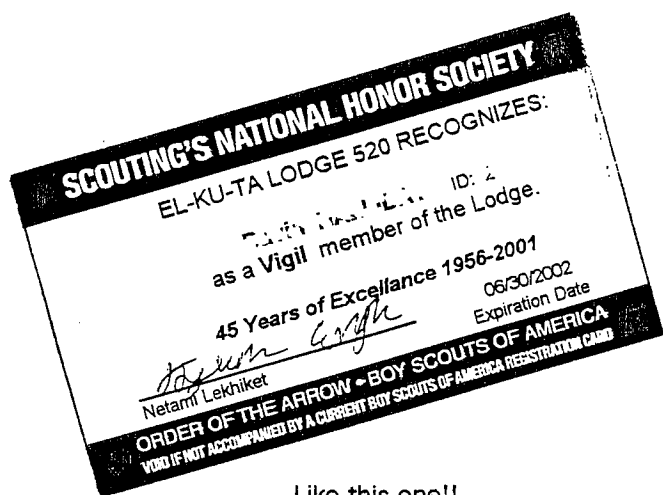

Thanks to **Aaron Anderson**, Chairman and **Bryan Paget** Adviser, for their work in making it successful.

The next conference will be held in Indiana in 2002 - now is the time to start making plans for it. The cost will be about \$1200.00.

## Like the New Look! -

The new membership cards have a new look. The National Office has updated the cards to fit better printers and we have customised them a little.

If you haven't registered, send in the form and we'll return one of the new exciting cards!

Interested in being an Elangomat and working towards one of those rare, restricted patched. The requirements have changed this year and now is the time to get involved. Call Kason Goodrich at 280-9190.

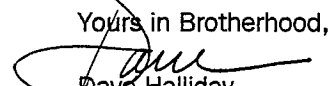

## Adviser's Minute -

Wow, was NOAC Exciting! I don't think that I got 4 hours of sleep any night I was there. However, it is great to be back and to see the plans for the officers taking shape for the coming year.

Thanks to those of you that are sending in your names to get involved. Now is the time that the committees are being put together and we need your help - if you haven't volunteered yet, you can send in the registration sheer or contact Tyler Engh who will get your name to the right individual.

We need every arrowman to make the chain of brotherhood strong. We need every arrowman to carry the message to those that will join this year. We need every arrowman - you - to make our 45<sup>th</sup> year come alive.

Yours in Brotherhood,

  
Dave Halliday  
Lodge Adviser
