Vol 4 No. 2 September - October 1993

CHIEFLY SPEAKING

by Brad Mecham, Lodge Chief

Bradley P. Mecham
Lodge Chief 1992-93

Summer is over and its time to get the program up and going. The fall has plenty of opportunity for each of us to provide meaning service to the chapter and the lodge.

Don't miss the Jamboral on the 18-19 of September. The OA will be in full force in the districts and the in the lodge area in the center of the activity.

Stop by Friday night or bring a t-shirt to get screen saturday. Make this the year that you will be involved. Over 500 of you have joined since April 1st. If you were waiting for a chance to really get into the OA now is the time.

The NOAC trip was a great success! We brought back a ton of ideas that will be presented to the chapters during the training conference. There are a couple of new videos also.

Thanks to each of you who have made the summer an exciting time for other scouts, on training courses, camp staffs and with unit activities. As we were reminded at NOAC, our best service is the service that we give in our own units.

I look forward to meeting you who are new members at our activities. Don't miss them. If you are with a unit, still drop in for a few minutes and get involved.

Let's make this year the best yet in our 36 year history.

Yours in Brotherhood,

Brad

NOAC

With 6800 arrowmen at the campus of the University of Tennessee, this year's NOAC could not have been better. The tour included Washington DC, Colonial Williamsburg, Busch Gardens, Monticello, Pigeon Forge and a lot of things in between. It was up and 6:00 and to bed after midnight for most of the days. But we survived.

We brought back a lot of ideas from other lodges and from the training sessions. A lot of the fun was traveling with a dozen of the members from the Provo lodge. they added a lot to the trip. Brad had arranged that we would only stay in motels with pools so it was not bad.

The conference is mind bending. One of the most interesting is founder's Day with lodges from all over the country putting on demonstrations of things from their area. You could eat caribou sausage, smoked salmon, or even fried gator or skunk. It was the best.

Of course there was patch trading without stop. Yes Virginia, there is a Santa Claus and even he trades for flaps from our lodge when he can get them.

NOAC — 1994

The national conference for 1994 will be held at *Perdue University* in Lafayette, Indiana. The dates are July 31 - August 4, 1994. The lodge chief has appointed *Ryan Pitts and David Swenson* to be the chairmen of the event.

In September at the LECM, the lodge will announce the tour and its cost for the trip. A savings program will be established for those who want to go and save towards it.

Chapters are encouraged to plan their own trip to the conference if there is enough interest in it. Watch this space for further news.
