

ADVISER'S MINUTE

With spring right around the corner, the Lodge Officers have been working on some great events for everyone in the next few months. We have several Ordeals for those of you who are wanting to join the OA, as well as some Brotherhood Ceremonies for those of you who want to complete your ordeal by sealing your membership in the National Honor Society of the Order of the Arrow.

We are putting together a great NOAC Tour similar to a "Mini Jamboree" experience for Arrowmen from our Lodge. Please feel free to Contact us if you are interested in attending or sending your sons for this week long adventure that will be held back in the Chicago, Michigan State Area. Time is running out so don't delay we only have so many spots before we will have to cut off registrations for NOAC.

As parents and adult leaders we always need to be looking for programs that will take these boys away from the comfort zone that we have created and allow them to grow thru experiencing things that others just dream about. The OA can help provide that opportunity, that you may be looking for. Come and be a part of the El-Ku-Ta Lodge programs this year.

Yours in Brotherhood,

Cal Condie
