

Advisers Minute

What Can I say..... it was a great year and I am ready for another great year in the Lodge, if you have not been active or want to be a part of the OA come join us, we have two ordeals scheduled so far this Spring one in April and one in May, Check Registration Central for exact dates and info. Thanks for everyone who made last year a great year, the El-Ku-Ta Lodge achieved the Silver Level of the Journey to Excellence OA Lodge program!!! This is due to the hard work of last years Lodge officers and each one of you who participated in our events, Congrats to all who helped make that possible, lets go for Gold next year!!!

Yours in Brotherhood
