

Lodge Advisers Minute

Brothers,

As our year comes to an end and we start a new journey with the new Lodge Officers, I would like to publicly thank Christian Mickelsen and all the other Lodge officers this year for the outstanding job they have done. We have been able to achieve many of the goals that we made a year ago. The Lodge is getting stronger and stronger with each event and each new member. It is not too late to sign up for the premier Youth Leadership Course that we call Coup Trail. The deadline to register is June 17th. The course will be held from June 24 thru 29. Check out the link above to find out more information.

I am looking forward to another great year in the Lodge.

“Stand Strong”

Yours in Brotherhood,

Cal Condie
